

PRODUCTS REQUIRING SASO IECEE RECOGNITION CERTIFICATE

SASO has introduced a new scheme known as SASO Recognition Certificate for certain electrical products. As per the requirements of this scheme the products would need to be tested by Certified Body Testing Laboratory (CBTL) which is IECEE approved and certified accordingly as per this scheme. Applicants can obtain SASO IECEE Recognition Certificate by applying through SASO's JEEM website, <https://jeem1.saso.gov.sa/>.

The announcement of the SASO Recognition Certificate (RC) requirement was made effective from 15th February 2018. Hence all products under the scope of the SASO recognition scheme shall comply with the requirements to obtain the SASO Recognition Certificate.

Upon arrival of the shipment containing the products and the corresponding HS codes in the scope of the SASO RC, the KSA Customs/Authorities will verify the availability of the following documents:

- Valid IECEE Test Report issued by a Certified Body Testing Laboratory (CBTL), which is an IECEE approved Lab and a valid CB Certificate issued by a Notified Certification Body (NCB).
- Recognition Certificate from SASO

The following list of products are under the scope of mandatory requirements for SASO Recognition Certificate.

ENFORCEMENT SCHEDULE	PRODUCT CATEGORY	KSA CUSTOMS TARIFF CODES
15 th Feb 2018	Mobile Phone Devices	851712000001 851712000002 851712009999
	Chargers for Mobile Phones	853669200001
01 st Aug 2018	Household/Domestic Electric pumps	841318900000 841370000000 841370000001 841381200000 841381000000
	Car Chargers for Mobile Phones	850440110000
	Wireless Chargers for Mobile Phones	850440900000
	Power Bank	850760000000 850780000000
	Mobile Phone Batteries	850750000000 850760000000
	Laptops and Tablets	847130000002 847130000003 850440110000
	Smart Watches	851762900002 851762900005
